

This scheme is possible as a result of an investment in technology and machinery aimed at reducing wastage, increasing efficiency and promoting environmental friendly measures.

**Criteria:**

- Available only on orders submitted through the website. Dedicated products will be available on the website [www.copyquick.mt](http://www.copyquick.mt). CopyQuick will assign rights to specific users (authorised by the School Head) to place orders without payment. An invoice is then issued to the school for payment.
- Individual orders should exceed 2,500 b/w or colour prints or a mix of both
- All printing is done back to back. No option for single sided printing except for the cover page.
- Finishing options available: Coil Binding or Square back saddle stitched booklets.
- Front covers are done in colour print on thick white paper and gloss lamination.
- Mixed colour mode printing is possible. In the case of Saddle Stitched booklets, each A4 page is printed on an A3 sheet. For billing purposes one colour page is calculated as two colour pages.
